EXPERIENCE COUNTS:
Current Chair, Finance Committee.
Former Vice-Chair, Durham Catholic District School Board.
Parent. Educator. Business Manager. Community Leader.

Honouring my commitment to you as, Catholic School trustee for Ajax, I will continue to

- work to remove systemic barriers by replacing policies and practices that are not student-centred, with fair and equitable policies, that support the success of every student.
- respond immediately to every concern and issue affecting our students and those who serve them and by taking swift action to ensure a prompt response, to incidents involving racism, harassment, bullying and other threats to the safety and well-being of our students.
- work to ensure excellence in Catholic education in an environment that respects and upholds the dignity of each person, regardless of any exceptionalities. In an environment that recognizes that our students' social, mental, and economic well-being impact their educational outcomes.
- act in a fiscally responsible manner, by allocating limited resources in a manner that is effective and that prioritizes student achievement.
