Good Government.

NOT BLUE

Justin Trudeau
Liberal Prime Minister

Doug Ford
Premier
Liberal Loving PC Leader

Because the PC Party isn't blue and they aren't for you.

**Let us stand up for you
with the New Blue!**

THE NEW BLUEPRINT

The New Blue Party of Ontario **will fight to end all COVID-19 mandates**, including: a complete repeal of Doug Ford's emergency measures; a ban on COVID-19 vaccine passports; a reduction in the powers of local bureaucrats; and restitution for those harmed by emergency measures applied by the governments of Justin Trudeau or Doug Ford. **We will:**

Renew political accountability

by scrapping the \$100 million taxpayer subsidy of political parties, banning lobbyists from party politics, and cracking down on voter fraud in internal party elections.

Defund the establishment media & promote a free press

by canceling the Toronto Star's \$500 million online gambling licence (gifted by the Ford PCs) and taxing all corporate media that receive any of the \$600 million federal government taxpayer "bailout" subsidy from the Trudeau Liberals.

Grow Ontario's economy

at 5% of GDP annually starting with taking down wind turbines to reduce electricity prices and improving productivity.

Provide tax relief

by cutting the HST from 13% to 10% and axe the Doug Ford carbon tax.

Reform education

by reducing administrative costs, introducing alternative schooling tax-credits, and stopping "woke" activism with the removal of critical race theory and gender identity theory from our schools.

Restore dignity & transparency in our healthcare

by expanding early treatment for COVID-19, and clearing the backlog of procedures by rehiring healthcare workers and offering choice in services.

Standing up for you with the New Blue!
